

# Bean Bag Tic-Tac-Toe

## ***You'll need:***

- An old white sheet or plastic tarp, about 27" x 36" OR a large piece of flat cardboard
- Tempera paint and large paintbrushes
- Ten bean bags, five each of two different colors or patterns
- A table (optional)
- Duct tape or sidewalk chalk

## ***Set up and play:***

- Paint a tic-tac-toe grid on the sheet or cardboard using tempera paint.
- Lay the grid on the ground or tabletop.
- Using duct tape or sidewalk chalk, mark a line on the ground about six feet from the grid.
- From behind the line, two players take turns throwing their bean bags onto the grid until one player gets his or her bags in a row across, down or diagonally.
