

## **Take a Chance:**

### ***You'll need:***

- A collection of old items in good shape, such as games, CDs, videos, books, toys, sports equipment, decorations, clothing, etc.
- A shoebox or bowl to place in front of each item
- A long table

### ***Set up and play:***

- Collect items from around the house and from friends and neighbors. Look for things in good shape that would appeal to kids of different ages.
- Line up your "chance" items on the table with a shoebox or bowl in front of each item.
- Players place tickets in the shoebox or bowl of the item they hope to win. Make sure that the players write their name and phone number on the back of each ticket.
- At the end of the carnival, draw one ticket for each item to determine the winner.
- Contact the winners and give them their prizes.
